Free 30 day trial	$399 per month	$699 per month
Why do we offer a Free 30 Day Trial? We do this simply because we know that after you see how our services can help in your recruiting efforts, you will want to stay with us! This package includes: 10 pre-screened driver applications a month for the first 30 days, a detailed company profile and your company will be listed on our job search board with access to our dashboard to manage your account.	With our Premium Package you now have the access to unlimited pre-screened driver applications that fit only your qualifications per month. You will still have a detailed company profile, your company listed on the job search board and access to dashboard manage. With this package you will get so much more including: a link to your website that will drive traffic directly to you, an email link to your recruiting department, availability to search our archive database for drivers and also get additional recruiter accounts.	If you looking for the most exposure for your company, our Premium Package is the way to go! With this package you are getting all the great features that the Premium Package has to offer, along with a couple of extra perks. You will get a banner ad with your choice in placement on our site to best fit where you think it will be beneficial for your company. This provides more exposure to the many drivers on our website job searching, in turn providing you with the response needed. This option helps allow the drivers to submit their applications to you through your company banner.
